Description

Charnwood was designed and constructed in 2009 to an exacting standard throughout and the present owners have further enhanced & extended the property to create a truly outstanding home.

The quality and internal layout are, in our opinion, second to none and the house occupies glorious, exceptionally private landscaped grounds measuring approximately 0.44 acres in total with an East/South East aspect.

Directions

From our offices in Station Approach, Virginia Water, turn left onto Christchurch Road. Take the second turning left into Virginia Drive and then the first right into Abbots Drive. Follow the road around the left hand bend and Charnwood will be found approximately 200 yards along on the left shortly before the turning into Badgers Hill.
