## Description

This is a truly lovely apartment; having been constructed to an excellent standard by CALA Homes in 2016 the property has been beautifully maintained and improved by the current owner and in our view would make an excellent home, especially having the rare benefit of its' own private patio terrace accessed directly from the living room & enjoying an attractive, wooded view. The location is perfect too, being just a couple of minutes' stroll straight into Windsor Great Park, so overall this represents a great opportunity.

## Directions

From our offices on Station Approach, Virginia Water turn left onto Christchurch Road, at the roundabout take the third exit straight across to stay on Christchurch Road and at the traffic lights turn right onto the A30 London Road. Follow for 2.2 miles with the Great Park to your left then turn left into Wick Road; the entrance to Queenswood Crescent is the first turning on the right and Chambord House will be found at the rear of the development.
