Description

15 Gillespie House is a rare find; being safely 20% larger than the standard two bedroom apartments on the estate this gives a far superior feeling of space than other properties and being ground floor offers more convenience than the vast majority of apartments on the development.

In addition to 24 hour security, the Virginia Park development offers the benefit of excellent communal facilities including tennis court, a well equipped gym and an indoor swimming pool which in our view provides fantastic added value to anybody's ownership; there is also a converted chapel which is a superb sports hall for indoor games such as badminton plus the main building has a highly impressive Great Hall, used for communal functions/meetings and is available for residents to hire for their own events. The location is also second to none, being situated just a short walk to Virginia Water village centre shops, restaurants and rail station with trains into London Waterloo from 43 minutes.
