Woodhill House has been completely transformed by the current owners, the end product being a remarkable family home of outstanding design; from bright, airy formal reception rooms enjoying garden vistas to the stylish open plan kitchen/dining room with an adjacent cosy family/cinema room & the truly fantastic vaulted ceilinged games/entertaining room with full bar, this stunning home provides arguably the most impressive ground floor accommodation on the market.

This superb living space combined with the six capacious bedroom suites, seventh bedroom/staff suite, two triple garages (one with a large gym over) and lovely grounds, plus the excellent specification throughout including concrete ground & first floors with underfloor gas central heating, air conditioning to the master bedroom, gym & 2nd floor bedrooms plus KNX smart lighting around the house & grounds, make this property a very rare opportunity indeed.

The location is also ideal, being on a highly sought after Wentworth Estate private road yet conveniently just a short walk to Virginia Water village centre shops, restaurants and rail station (London Waterloo from 45 minutes).
