Description

This property in our view is a great opportunity; an attractive white painted Victorian semi detached cottage which has had a large red brick rear extension to completely transform the overall accommodation, providing excellent space on two floors including a lovely family room with full width bifold doors opening out on to a very private rear garden.

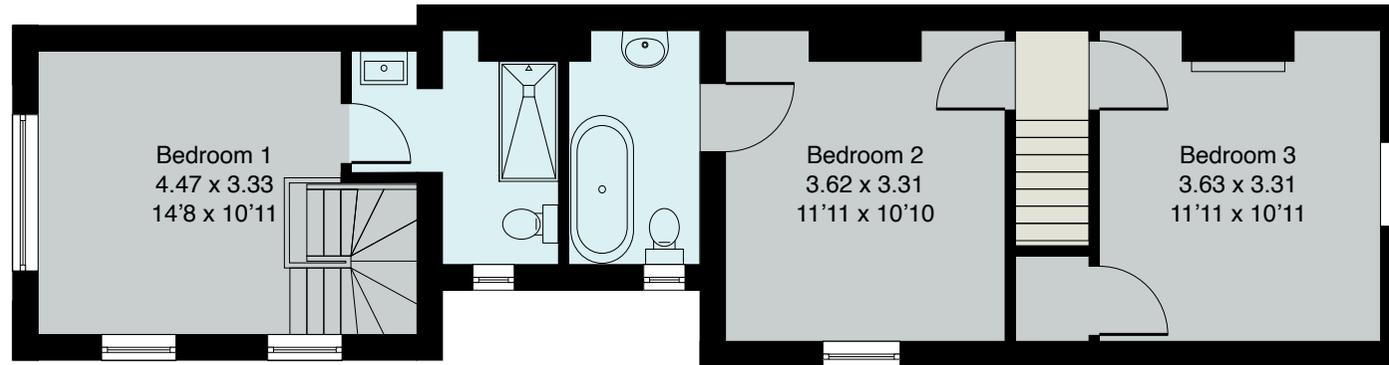

The location could not be better - Course Road is a no through road of character homes, with Ascot Racecourse to the rear and the High Street to the front providing the perfect combination of quiet & privacy with Ascot's full range of shops & restaurants being literally on the doorstep, plus the rail station being only a short walk, this position is the height of convenience.

This is a property that truly is a 'must see'.
