## Description

Maple House was constructed by the developers Belvedere in 2008 to an excellent specification including underfloor central heating to the concrete ground and first floors (powered via air source heat pump with a gas boiler as back-up) & solar panels; the superb internal design provides highly adaptable ground floor living and entertaining space plus spacious double bedroom suites with large en suite shower/bathrooms; the property also enjoys a very private plot which measures 0.43 acres & has the ideal orientation, with the rear garden facing directly South.

Situated on a very popular road on the Wentworth Estate, yet being only a short walk to Virginia Water village centre shops, restaurants and mainline rail station, in our opinion this property is an opportunity not to be missed.

## Directions

From our offices on Station Approach, Virginia Water, turn left onto Christchurch Road and take the second left hand turning into Virginia Drive; after passing through the security barrier the entrance to Maple House will be found immediately on the right hand side.
